			12noon to 1-30 pm	Others
Saturday	28th	October	10am to 12 noon	
Sunday	14th	January	10am to 11am	Miniature Horses
			11am to 12 noon	Others

PLEASE NOTE:

- **There will be NO measures conducted outside of these measuring dates.**
- **The measuring fees were reviewed at the Royal Agricultural Society Conference in June 2011 and subsequently increased by 50 cents. The 2017/2018 fees are:**

First Measure (annual or young stock)	\$30.50
Annual re-measure	\$20.50
Young stock re-measure	\$10.50
Life Certificates	\$75.50

Life Certificate forms are available at the measuring stand or from the A&P Office, 127 Bank St, Whangarei.

Replacement certificates can only be made by the RAS at a cost of \$75.50. Therefore it is very important the Measurers check that a previous measuring certificate does not already exist. (Measuring stands are NOT able to issue replacement certificates.)

NOTES:

Horses/ponies must be presented in bridle and bit to be measured.

No bit = no measure!

The only exception to this is horse/ponies under 3 years old and miniature horses.

Measures will be completed inside the advertised times: e.g. 9.00am till noon. The measurers will endeavour to accommodate everyone however any extension of the advertised measuring times is at the discretion of the measurers. (They have life as well!)

For the full measuring rules please consult the RAS web site.
